PUBLISHERS' NOTICE.

THE Publishers have pleasure in presenting to the public the SIXTY - SEVENTH ISSUE OF THE INDIAN DIRECTORY and while no specially new features have been introduced the work has been carefully revised from cover to cover. An enormous amount of labour is necessitated in the compilation of a work of this character which deals with such a vast area and a constantly shifting community including as it does the whole of the territories under the Government of India and all the Native States — independent and semi-independent.

The Publishers feel that the public are not fully alive to the value of the Conveyance Section of the Directory and would like to call attention to the information it gives regarding the means of transit for both passengers and goods to every town and station of importance in India and Burma. Where the places are not served by a Railway the best means of reaching them are given.

A Directory of British and Foreign leading manufacturers has been appearing for some years past at the end of the book but this year we have decided to place this section in a more prominent position. It will now be found in the middle, directly in front of the Mofussil Section. It is hoped that with the revival of manufacturing trades in Europe this section will be expanded considerably. In the past it has been of great convenience to traders in this country and the Publishers are taking steps to amplify what they feel is a section of great utility.

The INDIAN DIRECTORY contains ten maps, namely, Bombay City and Bombay Island, two maps of Calcutta and one each of Madras, Delhi and Karachi, with a special Railway Map of India.

Special attention is still being given to the Chief Industries of India and Ceylon to bring together and record all the Industries at work in developing the resources of the country, and the Publishers will welcome any special information that will make this section of the book more valuable to the public. In the separate volume of this section which has been published for a good many years now, and is very popular, an Index of Residents and an Index of Gardens, Estates, etc., is added, which is a great convenience for reference, but would add too much to the bulk of the present volume and has therefore had to be relegated to the smaller book.

There is one section of the Directory that is almost impossible to compile with absolute correctness and that is the section relating to newspapers and periodical publications and the Publishers appeal to the proprietors of journals published in various parts of India to furnish particulars for inclusion in the Indian Directory.

The Publishers avail themselves of this opportunity to tender their best thanks once more to all those who have so willingly and courteously responded to their call for information, and hope they may look forward to a continuation of these benefits.

To advertisers the Publishers would point out that THE INDIAN DIRECTORY is recognised as an indispensable book of reference in every office in India and Burma. It is in constant use throughout the year, and affords a permanent means of bringing advertisements continually before the public. Moreover, instances are continually being brought to the notice of the representatives of the Directory of large contracts that have been made and which would never have eventuated but for the publicity afforded by this useful work.

The contents of the INDIAN DIRECTORY are fully protected by copyright.

FOREIGN MONEY-ORDERS

RUPEE MONEY-ORDERS

The Foreign Post Directory included in Post Office Guide shows the countries and places with which money-orders may be exchanged. Money-orders expressed in Rupees may be drawn on those countries and places against which, in the Guide, the limit of amount is stated in rupee currency.

Money-orders expressed in rupees may also be drawn on the Indian States of Chamba, Gwalior, Jhind, Nabha and Patiala.

The amount of a money-order issued under this clause must not exceed Rs. 600 nor include a fraction of an anna.

NOTE.—All money-orders offices are authorised to issue and pay money-orders payable in, or received from, the countries and States referred to in this clause.

The ordinary inland money-order form must be used in the case of money-orders for Ceylon, Portuguese India and the Indian States and payees' acknowledgments are exchanged with only those countries and States. In the case of money-orders for other countries, a special form, which may be obtained *gratis* from the Post Office, must be used.

The names of remitters and payees of money-orders for Iraq, Tanganyika Territory, the Seychelles, the Straits Settlements and Zanzibar must, in the case of Europeans, include the surname and at least the initial of one Christian name, and in the case of natives of India, the name, tribe or caste, and father's name.

NOTE 1.—In the case of money-orders drawn on the German Protectorate of Kiaketschou, Macao, Japan, Corea, Formosa, or any of the Japanese postal agencies in China, the names of the payees, when the latter are natives of Japan should be given in full, without abbreviations of any kind. When both the remitter and the payee of such a money-order are natives of Japan or China, the remitter should present along with the money-order a separate slip of paper containing the full name and address of the payee written in Japanese or Chinese characters, as the case may be.

NOTE 2.—The re-direction to any of the countries or places with the exception of the Indian States of money-orders originally received from any of those countries or places for payment in India is subject to a fresh

charge on account of commission at *half* the rates of commission applicable to inland money-orders or money-orders expressed in sterling, according as the country or place to which the order is re-directed is one on which money-orders are drawn in rupee currency or in sterling currency. Should the amount of this fresh charge, however, calculated at the rates mentioned, include a fraction of an anna, the amount will be raised to the next complete anna.

The remitter of a foreign rupee money-order in respect of which an advice of payment is available can obtain such advice of payment by paying a fee of one anna in addition to the commission chargeable on the money-order. Advices of payment are obtainable from all countries with which money orders are exchanged except where the contrary is stated in respect of any such country in Foreign Post Directory.

When the remitter of a foreign rupee money-order, in respect of which an advice of payment is not available or has not been paid for, desires to have an enquiry made by the Post Office regarding the disposal of the money-order, he will be entitled to this service on payment of the same fee as that chargeable for an advice of payment.

NOTE.—The fee for an advice of payment, if asked for at the time of issue of the money-order, must be paid by means of postage stamps which should be affixed in the space provided for the purpose in the foreign rupee money-order form.

Coupons attached to money-orders payable in Ceylon or Portuguese India should not be filled up by the remitters as the coupons will not be delivered to the payees.

STERLING MONEY-ORDERS

The Foreign Post Directory included in the Post Office Guide shows the countries and places with which money-orders may be exchanged. Money-orders expressed in sterling may be drawn on those countries and places against which, in the Guide, the limit of amount is stated in sterling currency. The amount of a money-order issued may not include a fraction of a penny. Also, the maximum amount for which any one remitter may obtain foreign sterling money-orders in one day is limited to £40.

Postal Information.

The rates of commission on money-orders drawn on the countries referred to in clause 297 of the Postal Guide are as follows:—

On any sum not exceeding £1	3 annas
On any sum exceeding £1 but not exceeding £2	5 annas
On any sum exceeding £2 but not exceeding £3	8 annas
On any sum exceeding £3 but not exceeding £4	10 annas
On any sum exceeding £4 but not exceeding £5	12 annas
On any sum exceeding £5	12 annas

for each complete sum of £5 and 12 annas for the remainder; provided that if the remainder does not exceed £1, the charge for it shall be 3 annas; if it does not exceed £2, the charge for it shall be 5 annas if it does not exceed £3, the charge for it shall be 8 annas; and if it does not exceed £4, the charge for it shall be 10 annas.

The remitter must apply for a foreign money-order form (which will be supplied *gratis* by the Post Office), and fill in the necessary entries, adding the signature at foot. The amount of the money-order (whatever be the country of destination) must be stated by the remitter in British (sterling) money, and the equivalent of this amount in Indian currency will be entered in the form by the Post Office. If the country of destination has a different currency, the sterling amount will be converted by it into the local currency for the purpose of payment.

NOTE.—A money-order payable in the United Kingdom may be crossed for payment only through a bank. When a remitter desires to make use of this privilege he should write across the money-order form the name of a particular bank or merely the words "& Co" between parallel lines.

The name of the payee should include the surname and at least the initial letter of one Christian name. If the payee be a firm or company, the usual designation of the firm or company will suffice. The address of the payee should be full and precise, as on it depends the determination of the particular money-order office in the Foreign country at which the money-order will be made payable. The surname, and at least one initial of the Christian name, of the remitter should be given; if the remitter be a native of India, his tribe or caste and his father's name should be stated in addition to his own name. The name and address of the payee should be given with such completeness as shall secure identification and prevent risk of wrong delivery.

It will be necessary for the remitter of a foreign money-order to write to the payee informing him of his (the remitter's) name as entered in the order. The payee will receive the money-order direct from the head money-order office of the country of payment.

The remitter will be furnished by the post office with a receipt for the amount paid by him on account of the money-order and commission.

The remitter of a foreign sterling money-order in respect of which an advice of payment is available can obtain such advice of payment by paying a fee of two annas in addition to the commission chargeable on the money-order. Advices of payment are obtainable from all countries with which money-orders are exchanged except where the contrary is stated in respect of any such country in the Foreign Post Directory.

When the remitter of a foreign sterling money-order expressed in sterling has not paid the fee for an advice of payment and desires to have an enquiry made by the Post Office regarding the disposal of the money-order, he will be entitled to this service on payment of the same fee as that chargeable for an advice of payment.

NOTE.—The fee for an advice of payment, if asked for at the time of issue of the money-order, must be paid by means of postage stamps which should be affixed in the space provided for the purpose in the sterling money-order form.

TELEGRAPHIC MONEY-ORDERS, INLAND

Every Post Office which is a Money-Order Office, may issue and pay telegraphic money-orders, except in special cases.

A fee for the issue of a telegraphic money order will be charged at the rate of commission on an ordinary inland money-order for the same amount, added to a

telegraph charge calculated at the rates for inland telegrams for the actual number of words used in the telegram advising the remittance, according as the telegram is to be sent as an "Express" or as an "Ordinary" message.

The amount for such money-order must not exceed Rs. 600, and must not include any sum less than a rupee.

If the remitter desires to have a private communication to the payee added to the telegram advising the remittance, he should write it on the coupon of the money-order form and pay for the additional words in excess of twelve at the rate of two annas or one anna per word, according as the telegram is to be sent "Express" or "Ordinary." Abbreviated address, or Code words to represent the name of the remitter, or the name and address of the payee, must not be used.

INDO-ADEN TELEGRAPHIC MONEY-ORDERS.

Telegraphic money-orders may be issued from any post office in India (including Burma) for the head post office at Aden, and from the head post office at Aden for any post office in India (including Burma). The limits of value and the other conditions laid down in the foregoing clauses relating to inland telegraphic money-orders apply to such telegraphic money-orders: provided that the fees for such telegraphic money-orders will be made up of (1) the money-order commission at the rates applicable to inland ordinary money-order, and (2) a telegraph charge at the rate of one rupee a word for every word included in the telegram advising the remittance provided also that telegraphic money-orders for repayment to the remitters will be returned *by post* to the offices of issue.

INDO-CEYLON TELEGRAPHIC MONEY-ORDERS.

Telegraphic money-orders expressed in rupees may be exchanged with Ceylon. Every post office that is authorised to issue and pay inland telegraphic money-orders may issue and pay Indo-Ceylon telegraphic money-orders.

The amount of a single Indo-Ceylon telegraphic money-order may not exceed Rs. 600 or include any fraction of a rupee.

The fee for a telegraphic money-order issued in India for payment in Ceylon will be charged at the rate of commission applicable to an ordinary money-order drawn on Ceylon for the same amount, *plus* a telegraph charge calculated on the actual number of words used in the telegram advising the remittance, at the rate of one rupee for the first twelve words and two annas for each additional word. "Express" at the rate of rupees two for the first 12 words and 3 annas for each additional word.

FOREIGN TELEGRAPHIC MONEY-ORDERS BETWEEN THE UNITED KINGDOM AND INDIA.

1. Telegraphic money-orders may be issued from any post office in India (including Burma) and from the head post office at Aden for any post office in the United Kingdom or from any post office in the United Kingdom for any post office in India (including Burma) and for the head post office at Aden.

2. The amount of a single telegraphic money-order for or from the United Kingdom may not exceed £40 nor may it include any fraction of a penny.

3. In respect of each telegraphic money-order for the United Kingdom the remitter will be required to pay (1) the money-order commission payable on an ordinary money-order for that country, and (2) the cost of the telegraphic advice (ordinary or deferred, at his option) according to the rate for private messages to the United Kingdom as given in the *Indian Telegraph Guide*.

4. The remitter may have a private communication to the payee included in the telegraphic advice by paying for the additional words at the rate prescribed for the class selected by him for the telegraphic advice. He may also prepay a telegraphic reply to such communication but the charge for the prepaid reply will be at the ordinary rate. He may also obtain an advice of payment by paying the usual fee of two annas for this service *plus* the cost of telegraphing the words "Advice payment" at the rate for the class (ordinary or deferred) to which the telegraphic advice belongs.

Postal Information.

5. The application for a telegraphic money-order for payment in the United Kingdom must be made out by the remitter on an ordinary foreign sterling money-order form with the words "By telegraph deferred" or "By telegraph at the ordinary rate," as the case may be written across the particulars.

6. The private communication, if any, to the payee should be written below the particulars of the money-order and should invariably be in English, and if it is to be paid for at the deferred rate it must also be in plain language.

7. If the remitter desires to prepay a reply from the payee, he should write the words "Reply prepaid" at the end of the private message, followed by the number of words in the reply for which the charge is prepaid.

8. If an advice of payment is required, the words "Advise payment" should be written also below the particulars of the money-order.

9. The remitter should specify in the money-order form the name of the telegraph office to which the order is to be signalled. If he is unable to do this he must add the name of the country of destination after the name of the office of payment, and the money-order will then be advised by telegram at his risk.

10. A telegraphic money-order received from the United Kingdom for payment in India will be paid to the payee only at the post office on which it was originally drawn. If payment cannot be made at that post office owing to the payee having changed his address, or from any other cause, the order will be re-issued *by post* to the United Kingdom for repayment to the remitter.

FOREIGN ORDERS TELEGRAPHED TO OFFICE OF EXCHANGE

The telegraphic money-order system does not apply to any Foreign money-order exchange except those with the United Kingdom, Ceylon, the Seychelles, Iraq and Mauritius but the remitter of a foreign money-order drawn on any other country can have the particulars telegraphed to the Indian office of exchange and that office

will, on receipt of the telegraphic advice, issue a money-order on the Foreign country of payment under the Foreign money-order rules. It should be understood that the money-order will be *telegraphed* to the Indian office of exchange only, and *not* to the Foreign country of payment.

Except that the remitter will not be entitled to have a private communication added to the telegram advising the remittance, the rates of commission, the limit of value, and the other conditions apply as laid down in the rules relating to inland telegraphic money-orders.

The following conditions apply to money-orders payable in the United Kingdom or any other of the countries and places:—

(1) The maximum amount for which a single foreign sterling money-order can be telegraphed under these rules to the Indian office of exchange concerned is £40, and no such order may include a broken sum less than £1.

(2) A fee for the issue of a foreign *sterling* money-order telegraphed to the office of exchange will be charged at the rate of commission on a foreign sterling money-order for the same amount added to a telegraph charge calculated at the rates for inland telegrams for the actual number of words used in the telegram advising the remittance, according as the telegram is to be sent "Express" or "Ordinary."

(3) The remitter must fill up the necessary entries in a sterling money-order form and write across the form the words "By telegraph Express" or "By telegraph Ordinary," according as to whether he wishes the telegram advising the remittance to be sent as an "Express" or as an "Ordinary" message. He should then present the form at the window of the post office, together with the amounts of the order and commission.

(4) Foreign money-orders intended for payment in any country to which mails are sent from Bombay by the Peninsular and Oriental Steam Navigation Company's mail steamers will not be accepted for the purpose of being telegraphed to Bombay, if presented at any post office on the day of departure of those mail steamers.

In ordinary circumstances every Treasury Officer in British India cashes or exchanges Universal notes and notes of higher denominations of the circle in which the Treasury is situated if he can do so without inconvenience, and when this cannot be done conveniently, small sums in Universal notes can generally be exchanged for travellers.

A Universal Currency Note is a legal tender at any place in British India, except by the Government of India at any office of issue, and subject to the same limitation, every other note is a legal tender in its own circle, that is to say, whenever a note forms the integral sum, or a portion, of any payment whatever either to Government, to Companies or to individuals, it is a legal tender either throughout British India or in its circle of issue according as the note is universal or not. A note may be tendered in payment of a debt less than the value of the note, but the payee is not legally bound to accept it and give change.

In order to minimise the chances of the loss of notes in transit through the post, the public should follow the instructions given in clause 40 of the Post Office Guide.

It is optional to keep the numbers of the notes received or paid. Each currency note has a serial letter and No. and a general No. thus: $\frac{V}{16}$ 10106—Serial letter "V," serial No. "16," general No. "10106." No action can be taken with reference to any note until it has been thus fully described, or identified in all these details.

(1) A half-note represents no value, nor has a person holding only one-half of a note any claim to recover value when the other half has been transferred, either by him or by the last legal holder of the entire note, to the legal possession of another person. If one-half of a note is

lost, the other half should be sent to the Currency Office or the circle of issue to which the note belongs, and an application for refund of the value of the note made by the person who last held simultaneously both halves of it. Government are under no legal liability to refund value on half-notes, but payment may be made as a concession, if the Controller or Deputy Controller of the Currency think such a course warranted by the facts of the case. Of the 1 and 2½ denominations no half notes nor mismatched notes nor any mutilated notes which do not clearly consist of more than half the note are paid, though cut and soiled notes are paid.

Note—Claims on notes which do not bear any indication on them of the circle of issue to which they belong should be sent to the Currency Officer, Calcutta. Claims on ten rupee notes should be sent to the Currency Officer, Calcutta, and claims on five rupee notes to the Currency Officer, Bombay. Notes of higher denomination should be sent to the circle of issue which is printed on the notes.

(2) A mutilated or charred note represents no value. Payment can be made only as a concession, and the decision rests, in the first instance, with the Currency Officer, and then, in cases of doubt or appeal, with the Controller or Deputy Controller of the Currency.

(3) Oiled currency notes which are believed to be counterfeit or have been mutilated or disfigured in such a manner as to render their identification doubtful will not be accepted on account of postal transactions.

Note—A mutilated note is one of which a portion is missing but does not include a half note.

When any portion of a note has been erased, inked over, cut out, burnt through, or otherwise altered, so as to throw doubt on the identity of the note or to make it appear as another note, payment on it may altogether be refused and the note impounded.

A mismatched note is one in which half of one note has inadvertently been joined to the half of another note. It represents no value, but the Currency Department is willing to hold such notes on behalf of depositors, and to pay half or full value on them on receipt of either one or both of the corresponding halves as mismatched notes if the facts of the case justify this course. Further, if a mismatched note remains in deposit for one year and no payment has been made on it in the meantime, half or full value on it may be paid according to the rules prescribed for this purpose on the expiration of the above period. Mismatched notes of Re. 1 and Rs. 2½ are not paid.

ORDERS FOR THE CONDUCT OF MEASUREMENT OF GOODS FOR TONNAGE

By Public Measurers in the Port of Bombay

Issued by the Committee of the Bombay Chamber of Commerce in pursuance of Section XVII of the Rules and Regulations adopted at a Special Meeting of the Chamber held on the 24th September, 1924

(1) All Orders hitherto in force for the governance of Measurers are hereby rescinded and the following are instituted with effect from the 1st April 1901

(2) The Measurers shall be in attendance on the Quays to which they are appointed whenever there are goods to be measured. During the busy season Measurers are expected to be on duty early and late

(3) All Measurement Fees shall be paid to the Measurement fee clerk, and no goods shall be measured without the production of the Custom House Pass bearing the endorsement of the said clerk to the effect that the fees have been paid

(4) The certificates of measurement issued in conformity with Rule XII shall show—

(a) the date, hour and place of measurement;

(b) the name of the shipper;

(c) the name of the vessel;

(d) the port of destination;

(e) the number and description of packages;

(f) the marks;

(g) the measurement;

and in the case of goods shipped by boats;

(h) the registered number of boat;

(i) the name of the tindal.

The certificates of measurements shall be issued by the Measurers and shall in every case be signed by the Measurer who measured the goods. One copy only of each certificate shall be issued, and such single copy shall be handed to the shipper.

(5) The whole of the packages forming a consignment of not more than thirty-two packages must be deposited on the Quay before measurement is taken.

(6) Consignments of more than thirty-two packages may be presented for measurement in lots of not less than thirty-two packages provided always that each lot, as soon as it is measured, is loaded into boats or shipped and that no unmeasured lot is mixed with a measured lot: Provided also that a final lot of less than thirty-two packages being the complement of a consignment of more than thirty-two packages, may be measured separately.

(7) Shippers failing to have each lot as soon as measured loaded into boats or shipped; or shippers mixing unmeasured goods with measured goods or permitting them to be mixed; or shippers retarding the work of the Department by failing to move with reasonable promptitude the bales required by the Measurer to be moved for the proper performance of his duties; or shippers attempting to elude these regulations, any such persons or their representatives may be required by the Measurer to deposit on the Quay the whole complement of their consignment before measurement is taken. In all cases when such requisition is made, the Measurer making it shall briefly report in writing to the Secretary the name of the shipper against whom the goods in respect of which and the reason for which it has been made.

(8) A Measurer withholding or recalling a certificate under Section XIII of the Rules and Regulations adopted

Tonnage Schedule and measurement Rules for the Port of Bombay—Concl'd.

on the 6th March 1901, shall likewise briefly report to the Secretary in writing.

(9) No goods shall be measured otherwise than on a Quay excepting under the special conditions contemplated under Rule XIV and Order 22.

(10) Each and every package in a lot of packages not of uniform dimensions shall be measured individually. This Rule shall not apply to lots of pressed bales from various presses if the shipper arrange such diverse bales according to their respective dimensions separately on the Quay.

(11) In regard to packages of uniform dimensions, the Measurers shall use their judgment as to the proportion of such goods they should measure; but such proportion shall in no case be less than five per centum of each lot. Care must be taken by the Measurers that they are not induced to measure packages that do not fairly represent the average.

(12) In no case shall a shipper's man or men be allowed to put the Callipers on a package. A peon of the Chamber holding the Callipers may, when standing exactly in front, pull them tight with his hands, but not when standing on one side, nor shall he ever be allowed to pull the Callipers towards his chest or side or to put his shoulder to them.

(13) In measurement for length, care must be taken that the legs of the Callipers touch the ground, and that bales when being measured lie in the same position as when in the press. Measurement of bales for depth and breadth shall be taken on the ends, half the number of bales being measured on the marked end and half on the other end.

(14) Measurers when measuring pressed bales shall ascertain whether all are from one press or not; and under orders (10) and (11) of these orders shall further ascertain how many bales there are from each press and shall give measurement accordingly and show on the certificate the number of bales to which each measurement relates.

(15) In cases where the shipper shall hand to the Measurer a letter from the owner, agent or master of the vessel authorising the Measurer to accept for measurement and calculation of average such packages as the said shipper may reserve for such measurement, the Measurer shall measure the packages so preserved and give a certificate on the basis of their measurement, provided that such packages represent not less than five per centum of the entire consignment.

(16) The scale of measurement fees leviable under Rules V and XVII shall be as follows:—

(a) On Cotton, Wool, Hemp, Aloe Fibre, Twist (white and coloured), Rags and Waste on pressed bales, 6 pies per bale.

(b) On Round Timber or Logs each, 8 annas.

(c) On Gunny bales from Calcutta, Hides and Skins, Piece-goods, and all goods not included under (a) and (b) in packages of diverse dimensions, 2 annas per package.

Subject to a rebate of one anna per package on the Measurer's certifying that the lot measured consisted of not less than 100 packages all of uniform dimensions.

(d) On goods of any description measured on board a vessel, 2 annas per package.

(e) When the work of the Department admits of such an arrangement the exclusive services of a Measurer for a day may be secured on payment to the Secretary of a fee of Rs. 10.

(f) The attendance of a Measurer on a Sunday or one of the Charter-party Holidays when the Docks are closed may be secured on application to the Secretary, accompanied by the sum of Rs. 15 which shall be paid by him to the Measurer appointed by him to attend. The fee of Rs. 15 shall cover the services of one Measurer for one ship. If two Measurers are applied for, two fees of Rs. 15 must be paid at time of application. If a Measurer is required to work on more than one steamer a separate fee of Rs. 15 must be paid in respect of each steamer.

(g) The attendance of a Measurer for night duty may be secured in the same manner as above.

(17) All disputes as to the applicability of Order 16 (d) under Rule XIV shall be referred to the Weather Working Days Committee of the Chamber and the decision of that Committee shall be final. With respect to Order 16 (d) a refund of pies 6 per package will be made on declaration of the said Committee, remitted on the invitation of the

Claimant that the state of the weather during the thirty-six hours of grace allowed had been such as to justify the shipper's delay in bringing the goods alongside.

(18) Refund of Measurement Fees in full shall be made in respect of a consignment or portion of a consignment shut out after measurement.

(19) In respect of Round Timber and Logs, the measurement to be certified, in accordance with Order 4 (g) shall be as follows:—

Length in feet and inches: As found with tape

Breadth: The mean of two measurements taken with Callipers at thickest and thinnest portion

Depth: Same as Breadth

The certificate shall also show under Order 4 (a) not only the time at which the work of measurement was commenced, but the time at which it was completed. On application to the Secretary supported by evidence of time as here provided, Refund will be made of the difference between the fee as prescribed under Order 16 (b), and a charge of Rupees Two for every hour or part of an hour actually occupied in measurement.

(20) Refund of Measurement Fees shall not be made for any sum less than Four Rupees.

(21) All claims for Refund of Measurement Fees shall be made to the Secretary of the Chamber of Commerce, who shall allow or disallow such claims in conformity with these Orders: but no claim for refund of Measurement Fees shall be allowed unless presented within one month from the date of the sailing of the vessel concerned.

(22) Each Measurer shall keep a Dispute Book and it shall be competent for any shipper or the owner, agent or master of a vessel who disputes the correctness of a measurement given in respect of goods being shipped by him to call for the said Dispute Book, which the Measurer shall produce at once, and to enter therein a claim to have the goods in question or any portion of them remeasured. And on the said shippers or the owner, agent or master of a vessel depositing with the Measurer, the sum of annas 2 for each package to be measured, the Measurer shall at once remeasure such package or packages in such a manner that the shipper or the owner, agent or master of a vessel can see whether the measurement is correctly taken, and shall give to the shipper or the owner, agent or master of a vessel a certificate of the measurement so found and written thereon the words "Protested Certificate Fee paid Rs." and the sum so paid. The Measurer shall immediately thereafter forward to the Secretary a statement of the case together with the amount of the Fee received.

Provided that on any of the stations where more than one Measurer is employed, the Measurer whose Measurements are disputed shall, immediately after receiving the protest and fee, call another Measurer who shall make the remeasurement in the manner above laid down, shall issue the "Protested Certificate" and forward the necessary statement to the Secretary.

(23) Should a shipper demand, remeasurement under Order 22 and should such remeasurement, in the opinion of the Secretary, show the original measurement not to have been substantially correct, the extra fee of annas 2 per package shall be refunded to shipper on demand and the case reported to the Committee.

(24) Every Measurer shall receive a book of temporary measurement slips together with indelible pencil and carbon paper for making such slips in triplicate. The measurer will retain the first copy, and from it write up his certificates; the second copy he will hand to the shippers at the time of measurement, and the third to the ship's agent's representative on demand.

Provided that when goods are shipped in boats for delivery alongside, the said third copy belonging to the ship's agent, shall be handed to the boatman from whom it should be obtained by the ship's officers.

(25) One Measurer shall attend in each chowki at 10-30 a.m. for issue of the certificates relating to measurements made on the previous day. Provided that some discretion as to the exact hour of attendance for the purpose stated may be exercised by Measurers on stations where the state of the tide greatly affects the work. Certificates not claimed on the day succeeding measurement shall be preserved for one week and shall then be destroyed by the Measurer personally. Thereafter a certificate can be obtained only on application to the Secretary with the customary fee of Re. 1 for a duplicate certificate.

TONNAGE SCHEDULE AND MEASUREMENT RULES

FOR THE PORT OF RANGOON

Landing Charges in the case of Imported Goods and Shipping Charges in the case of Exported Goods are now levied by the Port Commissioners on ordinary Merchandise at flat overhead rates per ton by weight and/or measurement. There are but few exceptions to this rule and these are detailed hereunder

A comprehensive classification of merchandise giving indications as to which are chargeable on a weight basis and which by measurement, is included in the printed schedule issued by the Port Commissioners but in the main the charges are payable on the same basis as that on which freight is usually charged by shipowners. Charges are all payable in advance in cash but it is found a convenience and a considerable safeguard by important shippers to work on a Deposit Account system with the Port Commissioners thus obviating the necessity for cash payments at wharves and elsewhere

The following is extracted from the Port Commissioners' Schedule:—

Articles.	Landing Charges on Imports.			Shipping Charges on Exports.

LINEAL MEASURE.

Notwithstanding that the cubit or human forearm is basis or unit in Oriental and Western countries, there is no fixed standard established in India

In Bengal the measure mostly used is the following:—

The Coss or Bengal mile is equal to 1 mile, 1 furlong 3 poles, $3\frac{1}{2}$ yards English

In the United Provinces of Agra and Oudh the average distance is about 2 miles, but it differs in almost every province in the country. For instance, in Agra and Muttra the coss is about $1\frac{1}{2}$ mile; towards the Hills the coss is a little more than a mile; in Bundelkhund it is three times as long as in other parts and is called a *Pucca coss*; while in the Doab it is the *Gow coss*, or as far as the lowing of a cow is heard at dead of night

To calculate the due date of any Bill. A Bill dated 23rd August 1890 @ 53 days after date 53 + 3 (days of grace) 3 (of the 23 in date) 59 days after the 20th August, look under August 20 in table, run down to 60 days in the marginal column 591 day short of 60, viz., October 18th.

To find days to run on a pre-dated Bill. A Bill dated 19th July @ 95 days date is presented for discount on the 23rd August. The due date to be found as per example above is October 25th: under 20th August find October 25 (October 19+6) and refer to margin which shows 66 days, deduct 3 of the date 23rd August, and you have 63 days to run from 23rd August.

Included in these records are Ecclesiastical Returns of Baptisms, Marriages and Burials of Europeans in India, dating from about the beginning of the 18th Century, and copies of wills, etc, from about the same period. The department is also responsible for the production, presentation, etc, of parliamentary papers relating to India, and for the distribution of official books and maps required in the India office.

LIBRARY OF THE INDIA OFFICE

INDIA OFFICE, WHITEHALL, LONDON, S W

Librn G A Storey MA

This Library (founded in 1801) serves the two-fold purpose of departmental and general reference. The former requires a fairly exhaustive provision of works—descriptive, historical, political, scientific, etc—originated by European contact with India and the most nearly adjacent countries. But a place is found also for large, in some cases unrivalled, collections of oriental MSS (Sanskrit, Arabic, Persian, Hindustani, etc), and for the apparatus of philological literature relating to the study of them. There is a reading-room where books and MSS may be consulted by members of both services, retired members and such individuals as either are well known to the Librarian or produce a suitable introduction. Books and MSS are lent under certain conditions.

The Library is open daily from 10 a.m. to 5 p.m. (Saturdays 10 a.m. to 1 p.m.)
